

MAKE A STENCIL!

Follow these easy steps to create Chuggington pumpkins!

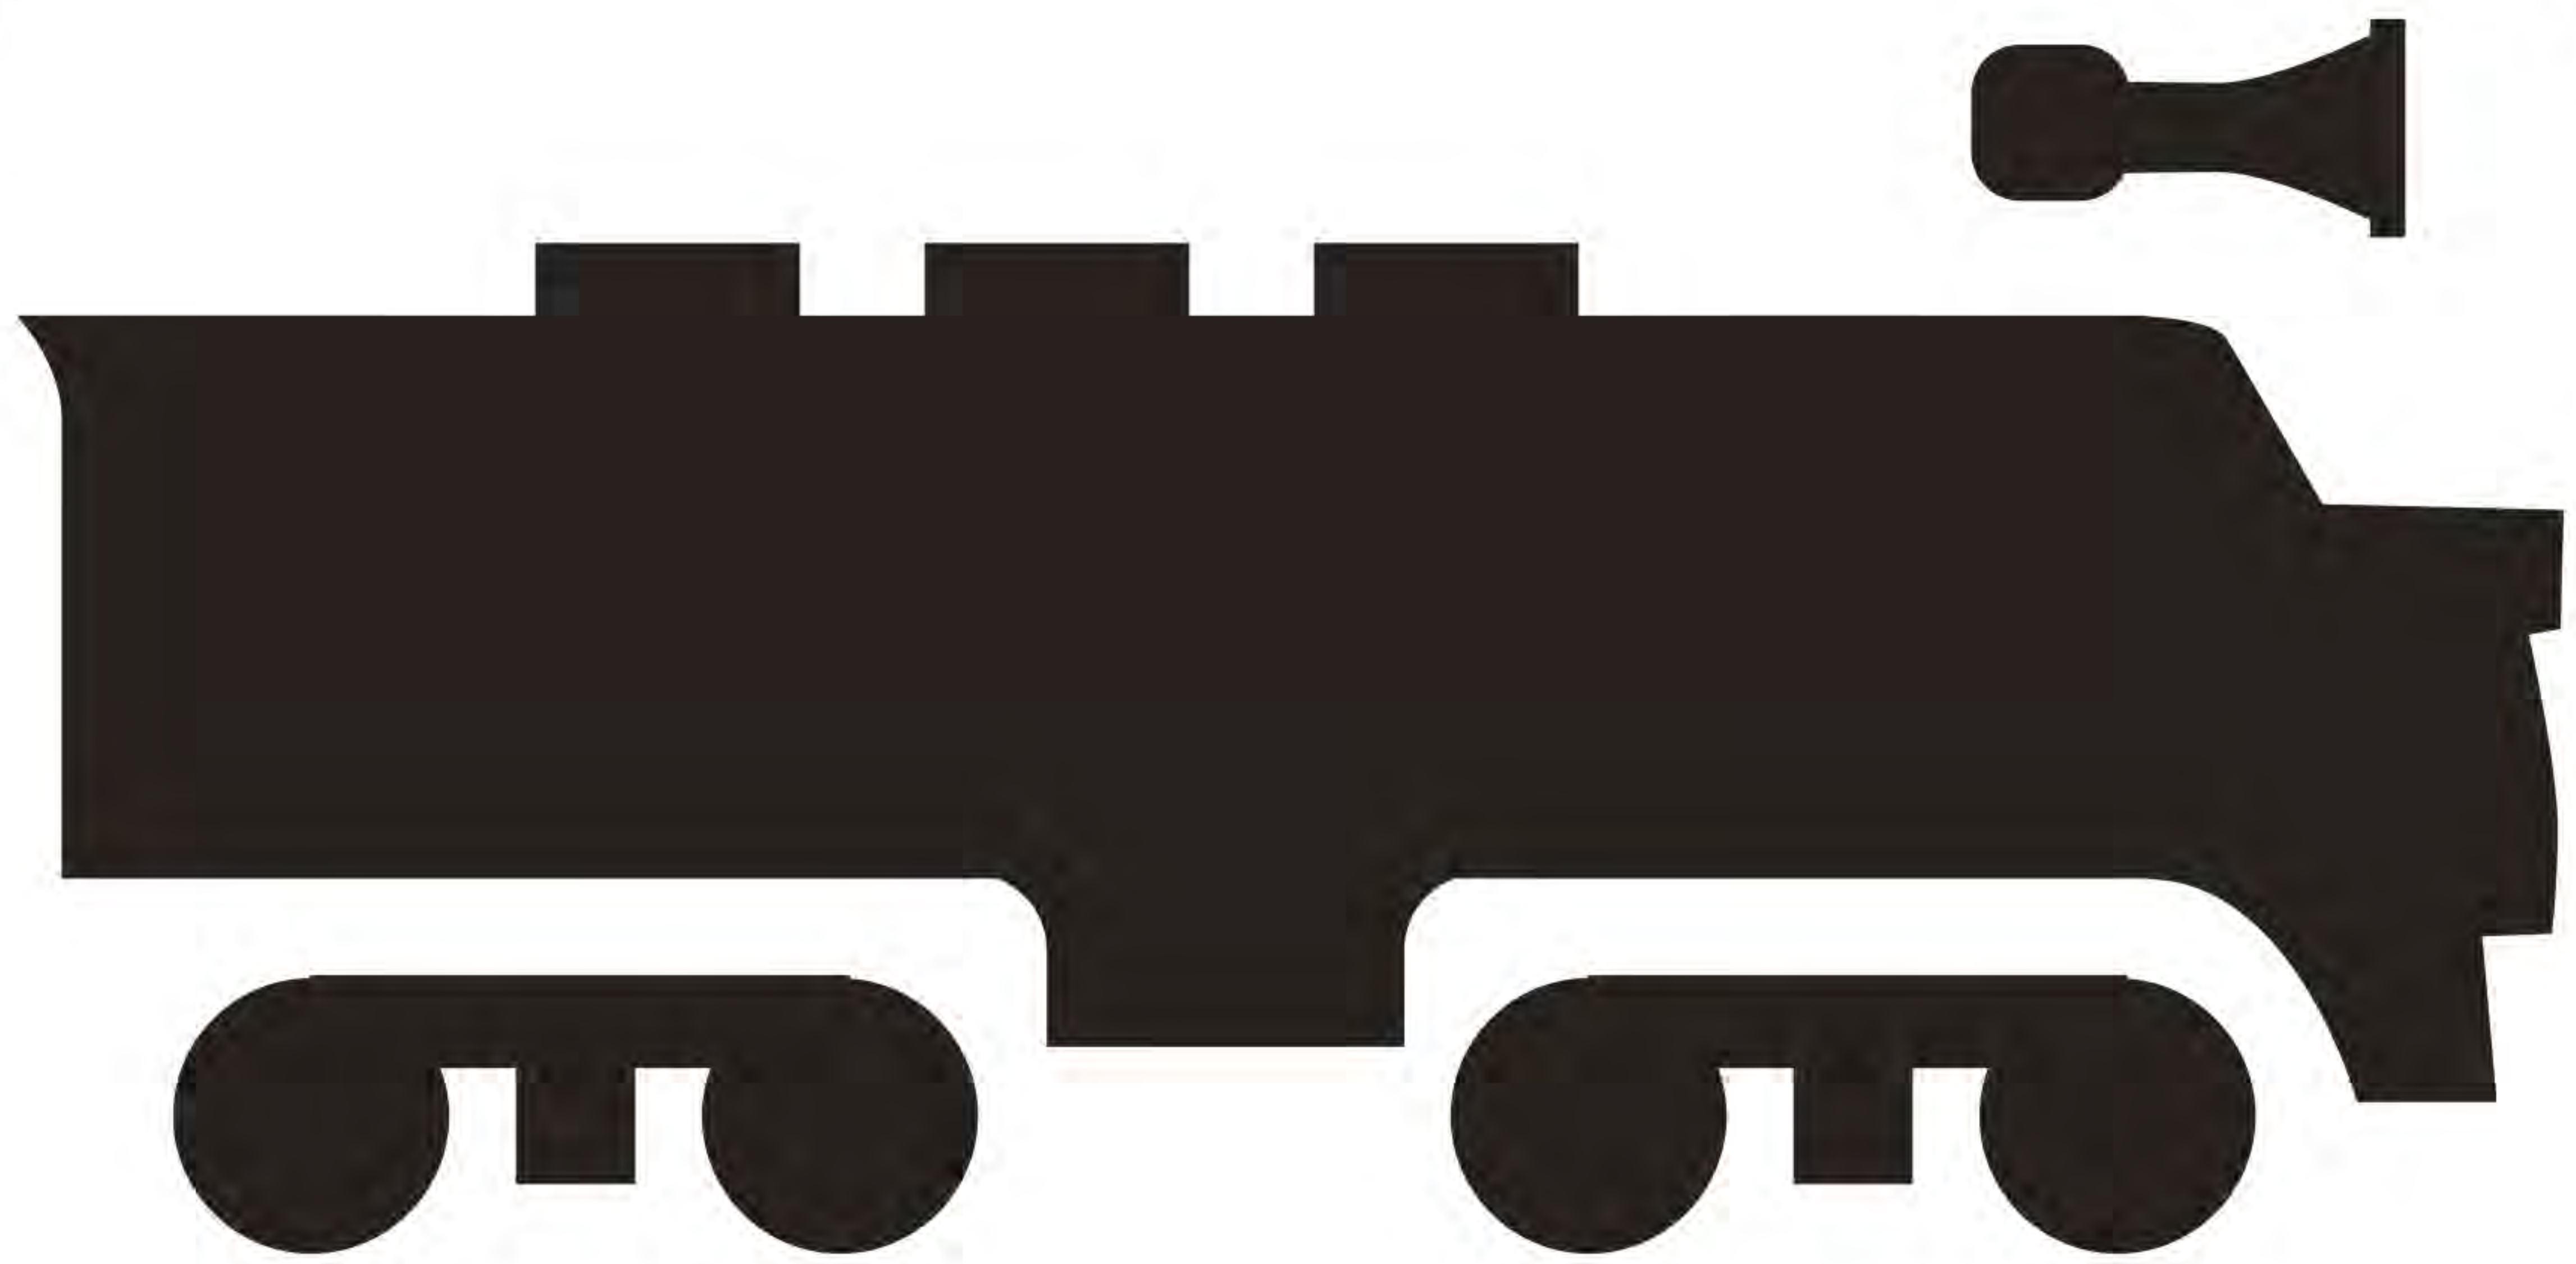

- 1** Cut out the circle with the trainee.
- 2** Attach the stencil onto your pumpkin.
- 3** Poke holes around the dark areas on the stencil using a ball point pen. Make sure they are close together as you will be connecting these dots in the next steps.

- 4** Remove your paper stencil.

- 5** Have an adult assist with a pumpkin carving tool in connecting the dots and cutting the pumpkin!
