

TRAIN Together

Train Your Brain!

Puzzle Activity

Let's Train Together!

1. Have a grownup cut out or help cut out all the traintastic puzzle pieces.
2. Mix up the pieces and help your chugger train their brain by putting the puzzle together!
3. Store the pieces in a small bag or container to use again for more puzzle fun!

Puzzles are great for your chugger's brain! They help with basic concepts skills, hand-eye coordination, fine motor skills, problem solving skills and more!
